I represent and warrant that, to the best of my knowledge and belief, I (or my minor child) am (is) physically and mentally able to participate in Special Olympics activities. I represent that I meet the eligibility requirement(s) for participation in Special Olympics by having an intellectual and/or developmental disability. I also represent that a licensed physician has reviewed the health information contained in my (or my minor child's) application and has certified, based on an independent medical examination, that there is no medical evidence which would preclude me (or my minor child) from participating in Special Olympics. I understand that if I (or my minor child) have (has) Down Syndrome, I (or my minor child) cannot participate in sports or events which, by their nature, result in hyper-extension, radical flexion or direct pressure on my (or my minor child's) neck or upper spine unless I and two physicians have completed the official "Special Release for Athletes with Atlanto-Axial Instability," available from the Special Olympics Program in my area, or I (or my minor child) have (has) had a full radiological examination which establishes the absence of Atlanto-Axial Instability. I am aware that if I choose not to complete the "Special Release for Athletes with Atlanto-Axial Instability" form which establishes the absence of Atlanto-Axial Instability, I (or my minor child) must have the radiological examination before I (or my minor child) can participate in equestrian sports, gymnastics, diving, pentathlon, butterfly stroke, diving starts in swimming, high jump, alpine skiing, squat lift and football (soccer).

Special Olympics has my permission, (both during and anytime after), to use my (or my minor child's) likeness, name, voice or words in either television, radio, film, newspapers, magazines, and other media, and in any form, for the purpose of advertising or communicating the purposes and activities of Special Olympics and/or soliciting funds, directly or in conjunction with an approved third party, to support these purposes and activities.

Special Olympics Florida shall not deny an applicant or revoke a volunteer's status for reasons of ethnicity, gender, sexual orientation or age.

TO BE COMPLETED BY ADULT ATHLETE AND ONE WITNESS

If, during my participation in Special Olympics activities, I should need emergency treatment, and I am not able to give my consent or make my own arrangements for that treatment because of my injuries, I authorize Special Olympics to take whatever measures are necessary to protect my health and well-being, including, if necessary, hospitalization.

I understand that it is my responsibility to acquire, review and complete the Athlete Code of Conduct form for the safety and health of both myself and my fellow athletes.

I am at least 18 years old and have submitted the attached application for participation in Special Olympics. I have read this paper and fully understand the provisions of the release that I am signing. I understand that by signing this paper, I am saying that I agree to the provisions of this release.

I acknowledge that Special Olympics events may involve overnight activities and that the housing arrangements for each event may differ. I understand that I should contact my local Program office if I have any questions about housing arrangements for a specific event or the housing policy in general.
